

*Dear Reader!*

We would like to present to you a new issue of our Electronic Journal.

Here you may find papers devoted to the History of Economic Thought, Macroeconomic Policy, Mathematical and Statistical methods, Public Economics and Welfare, Theoretical Issues. Also in the journal is presented information about such a significant for the development of economic science event as the Annual Scientific Conference "The problems of modern economic science and practice in the context of new research directions of the Faculty of Economics of Moscow State University" which will take place March 15 2016 the Faculty of Economics of Lomonosov Moscow State University.

In each issue of the journal is published articles on the most topical issues of economic policy. I was no exception and the number. We present to you an article which deals with the problems of import substitution in the Russian food market.

Traditionally, in the pages of the journal we give the floor to young scientists. In this issue you may find (This issue contains) the best articles of the participants of the Scientific conference of young researchers "Lomonosov-2015" devoted to the influence of financial factors on the dynamics of household consumption and the medical staff trainee organization in Samara.

We are glad to cooperate and looking forward to your publications.
